THE IMPORTANCE OF MAKING DISCIPLES

BY PASTOR STEPHANIE

I wouldn't be the follower of God that I am today if my parents, Karen- my daycare provider, and others didn't take the time to make God a priority in my life. It was my parents who brought me to church each Sunday. It was Karen and her daughter Alicia who ignited a fire for Jesus in my heart. It was those unnamed others who helped me find my own commitment to attending church, spending time daily with God, and developing relationships that point me and others toward Jesus.

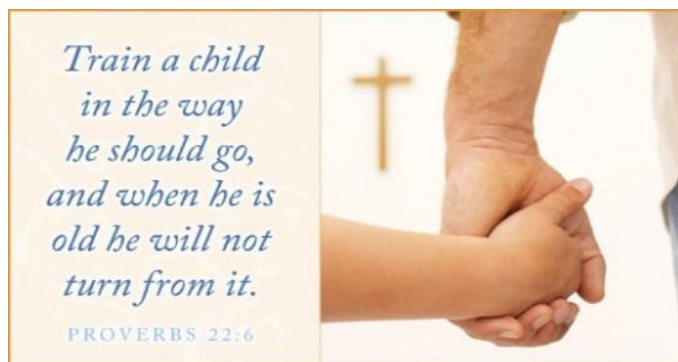

It is a multiplication process. One person invests in three people, who invest in three others. Our theme verse for the Sunday School program is Proverbs 22:6. How are you helping others not turn away from the way, but turning them to the hope of Jesus Christ. Would you consider investing your time and energy that our students might know?

SS SUPERINTENDENT NEEDED

The time has come for me to allow another member the opportunity to be SS Superintendent. The SS program is one of the most important programs that we have. I ask that you would prayerfully consider whether this leadership role is one that you are being called to serve in. Please don't hesitate to reach out to myself, Pastor Stephanie, or a member of the church council if you have questions about the position.

Thank you for allowing me to serve the church and your children in this role for the last 4 years.
